

Polyurethane Corner Bumpers

Barbour Plastics' Cellular Urethane Foam Corner Bumpers are a great new product offering for Marinas, Dock builders, Home docks, and more!

NEW DESIGN

- Slips over existing P shape Dock bumpers to act as a second layer of corner protection
- Can be used as a stand alone corner
- Tapered end radius entrance is designed to eliminate or reduce tear off or pull away when impacted
- Fits most standard P shapes

Features:

- Cellular Urethane Foam
- Excellent Resilience
- Good low temperature flexibility
- Mar resistant textured surface
- Great Durability
- UV protected
- Custom tailored to fit our 3 sizes of P Shape dock bumpers
- Made in the USA

Standard color Black, Gray coming soon
